Chairman's Message

Charutar Ratna Dr. C. L. Patel

It is true that the legal profession is not only about knowledge of the law and oratory skills but also about ethics, justice and humanity. Institutions are not market places, and education is not a commodity traded on demand and supply.

Institutions are knowledge spaces and education is a value in itself to distinguish between fair and unfair, just and unjust. It has to inculcate values like sacrifice, sensitivity to sufferings, courage to fight for justice and fairness, to stand up for the dispossessed and marginalized the determination to stand against the odds for the sake of justice. Prospective lawyers have to be exposed and sensitized to all these issues in order to ensure that they serve the profession with commitment and integrity.

Education in law enables the citizens learning their rights and duties. A society enlightened by law can be most effective in shaping the Nation and putting a check on abuses and misuses of laws. It can lay the foundation of a nation whose citizens love justice, are law abiding and believe in just and lawful co-existence for all members of society. But, however just the laws, they cannot be effective in delivering effective social justice unless they are put into action by professionals well versed and well instructed in law.

With above vision, as a tribute to Sardar Patel, Charutar Vidya Mandal established the R.N.PatelIpcowalaSchool of Law & Justice. Our guiding principle is constant change, motivation and up gradation, creating state -of-the-art knowledge infrastructure for our students, instilling in them the ability to learn so that they can face my challenge anywhere in the world.

I, therefore, like to share with all the students that the LawSchool will be of international repute in the field of Law. The syllabus of the course is formulated in such a way that students passing out from this Law School will be in a position to practice Law not only with Judiciary but also with Law firms within and outside the country. The management has not left any stone unturned to provide world class infrastructure and academic input, which will be intellectually stimulating and highly rewarding.

Welcome you all.

Message from the Hon. Secretary

Prin. S. M. Patel
Charutar Vidya Mandal

Charutar Vidya Mandal has initiated a historic and momentous step to start R.N.Patel Ipcowala School of Law and Justice.

Looking to the need of industry, legal system and social requirement, there is a mismatch between demand for legal experts and supply of legal experts. Charutar Vidya Mandal wants to step in and provide highly talented and educated legal professionals. The pressing need to do something about the legal education as it is administered at present has engaged the attention of almost everyone concerned with the legal profession. Legal education is the heart and the very soul of the society for administering rule of law in a democratic country like ours. Therefore, quality legal education is to be imparted to the people taking into consideration the changing needs of the society and in the changing era of globalization. The syllabus is framed keeping in mind the changing environmental and legal factors.

In R.N.Patel Ipcowala School of Law and Justice, the students will find a dedicated and highly qualified team of faculty. The library is enriched with books and journals that will help the students to acquire additional knowledge. An exhaustive volume of All India report (AIR) starting from 1950-2015 and Supreme Court cases (SCC) are processed for the benefits of the students. I welcome all students to the CVM family. There is a perfect blend of theory and practical exposure. There are ample of opportunities provided to the students to test the applicability of the theoretical knowledge they have acquired. We aim at international standards while maintaining our deep rooted values and culture of Indian society and its glorious traditions.

I would like to invite all the students who would like to experience qualitative change in their lives when they graduate from RNPISL&J. I am sure that your learning and experiencing at RNPISL&J will train you and equip you to face the world with courage and confidence.

Heartily Welcome to All the Stake Holders at R N P I School of Law & Justice.

Message from the Trustee

Adv. Hemant J. Patel
Charutar Vidya Mandal

Vallabh Vidyanagar has imbibed the indomitable spirit of true and great visionaries like Sardar Vallabhbhai Patel, Shri Bhaikaka and Shri Bhikhabhai Saheb. It is their farsightedness and missionary zeal that led to the establishment of Vidyanagar, CVM, SP University and RNPI School of Law and Justice (2012). The objective of establishing the RNPISL&J is to provide quality legal education and in the near future we intend to introduce study of research oriented law courses. I am absolutely certain that the study of law courses will add towards Development of Knowledge Society.

Law, as a profession brings profound money, power and intelligence with it; things that eventually make individuals successful in their careers. Law and legal education has an important role to play in protecting the rule of law and democracy as a whole. Lawyers are the backbones of the society and they are social engineers. Law as a career option compares well with other lucrative career options like Management, Medicine and Engineering and even excels them; depending upon individuals capabilities. The R N Patel Ipcowala School of Law and Justice create an opportunities and built a capabilities among the law students towards the law education.

On behalf of CVM, I heartily welcome you to RNPISL&J and I am absolutely confident that it will make a huge difference in your life and career both qualitatively and quantitatively.

શ્રી રમેશભાઈ નાગરદાસ પટેલ

સાક્ષરતા અને આધ્યાત્મિકતાનો સમન્વય લઈ તપોભૂમિ નડીઆદમાં જન્મેલા શ્રી રમેશભાઈ નાગરદાસ પટેલ એટલે સાદગી, પ્રેમાળ અને સરળ વ્યક્તિત્વની અનુભુતિનો અહેસાસ.

માતૃસ્વરૂપા શ્રી શ્રી માં આનંદમયી, યોગીરાજ અવધૂત શ્રી સંતરામ મહારાજની અખંડ જ્યોતી, પૂજ્ય સ્વામી ભાષ્કરાનંદન જેવા ઈશ્વરીય આત્માઓના સતસંગ અને સંપર્ક વડે તેમના જીવનનું આધ્યાત્મિક ઘડતર થયું. સંતો અને મહાન વિભૂતીઓના સતસંગે તેમનામાં દયા, ક્ષમા, પવિત્રતા, શુભ આચરણ અને સંતોષ આણ્યા હતા.

ધારાશાસ્ત્રી તરીકેની ઉજ્જવળ કારકિર્દીમાં સત્યપરાયણતા અને કાર્યનિષ્ઠાથી વકીલાતના વ્યવસાયને ઉજ્જવળતા બક્ષી હતી. વિદેશમાં વસવાટ હોવા છતાં ભૌતિક સમૃદ્ધિ તેમને ક્યારે સ્પર્શી શકી ન હતી. સહધર્મચારીણી જયશ્રી બેન સાથેના પ્રસન્ન દામ્પત્યનું કારણ પણ વિચારધારાની સમાનતા હતી. પોતાના ત્રણે સંતાનો મહાદેવભાઈ, રાજેશભાઈ અને દેવાંગભાઈને માત્ર શિક્ષણમાં જ નહીં પણ સંસ્કારીતા અને આધ્યાત્મિકતામાં શ્રેષ્ઠ બનવાની પ્રેરણા પુરી પાડી સનાતની ગુણોનું સિંચન કર્યું. જેને કારણે ધાર્મિક, સામાજિક અને પારીવારિક જીવનમાં સૌનો આદર તેમને સહજ પ્રાપ્ત થતો રહ્યો.

પોતાના જીવનનું રહસ્ય જેમણે પામી લીધું હતું તેવા દિવ્યાત્માના સંપર્કમાં આવતાં પ્રત્યેકને સંબંધ અને આત્મીયતાથી પોતીકા બનાવી રાખવાની કુનેહ તેમનામાં ઈશ્વરદત્ત હતી. નિર્મળ કાચ જેવું ચરિત્ર હેતાળ હૈયું અને ઈશ્વરાભિમુખ જીવનશૈલીથી સમગ્ર જીવનને મહેકતું રાખનાર શ્રી રમેશભાઈની ચેતના શ્રીમાં આનંદમયમાં સમાય ચુકેલ હોવા છતાં સંતાનોએ ઉજ્જવળ સંસ્કાર અને ધર્મનો વારસો આજે પણ પરિવારની શોભા બની રહ્યો છે.

4 YEARS DUAL DEGREE, BACHELOR OF LAW and MASTERS OF LAW* [LLB & LLM]

(Under Choice Based Credit Scheme Semester Degree Programme)

The Aim & objective of the RNPI School of Law and Justice is to groom future legal fraternity to become responsible and competent legal professionals. The college also believes that it should cater to the needs of different sections of the society. The academic programs are designed with this perspective. Realizing the fact that there is a dearth of competent young lawyers in the mofussil courts, RNPI School of Law and Justice is commencing a 4 year LL.B LL.M (Dual Degree) programme from the academic year 2016-2017. It is a dual degree course, very flexible, with an exit option after completion of three years. Students who qualify will be eligible to get a LL.B degree after completion of three years. They have a choice to opt out. Those who wish to continue will get LL.B. LL.M (Dual Degree) upon qualifying. The continuation of students in LL.M will depend on overall performance of the students and will be based on entrance test and the recommendations of the committee constituted for this purpose and as per rules laid down by the UGC. They can also pursue LL.M within India or abroad based on MOUs signed with other Universities/ Institutions.

For admission candidate should have passed under graduate course (10+2+3) or (10+2+4) in any discipline from a recognized University. The candidates appeared/appearing for final year of the qualifying examination are also eligible subject to the condition that he/she should have passed with minimum prescribed marks at the time of counseling.

The candidates seeking admission should note that 4 Year LL.B. LL.M. (Dual Degree) Programme is purely full-time, regular course.

* Subject to the approval of SPU, BCI and UGC

The applicants who have obtained 10+2 or graduation / post graduation through open universities system directly without having any basic qualification for prosecuting such studies are not eligible for admission into the law courses.

The RNPI School of Law and Justice admits 60 students only with reservations as per Government of Gujarat Rules. Candidates from other states and foreign nationals will also be admitted as per the existing rules.

In Dual Degree stream of LLB & LLM, one has to take such number of compulsory paper/ subject and such optional with or without Honours in Law, as the case may be, from the specified area as may be prescribed by the University.

For the purpose of deciding final results at the semester Examination, the ratio between internal assessment and final University examination shall be 50:50. For the purpose of internal assessment, the college concerned will conduct at least one test in each semester. The duration of University external examination shall be of TWO hours.

Candidates desirous of appearing at the Semester Examinations must forward their applications in the prescribed form accompanied by a certificate of attendance to the Registrar through the Principal of the college on or before the date prescribed for the purpose under the relevant ordinance/s.

A student, who fails at the Semester Examination in any of the papers, will be permitted to keep terms for the next Semester Courses till 6th semester.

A student, who is failing in any of the papers and allowed to keep terms in the subsequent Semester Courses, can take the examination in the Courses in which he/she is failing at the end of respective semester examination.

A student can have maximum 3 attempts after 6th Semesters excluding the attempt he/ she has made at the end of 6th Semester.

A student failing in any of the papers at a Semester Examination passes out such papers by 6 Semesters, such attempts will be considered as First Attempt.

A Student is entitled to go the 7th Semester (LLM) only when he completes his six semester's papers with minimum 50% and clear the entrance exam.

A student can have maximum 3 attempts after 8th Semesters excluding the attempt he/she has made at the end of 8th Semester. However discretionary power is vested with the Vice Chancellor to provide another attempt.

Lateral Exit

Candidates desirous of moving out of the 4 Year Dual Degree Course can do so after successfully completing 6 semesters and the University will provide a degree of LLB. Those candidates successfully clear all the eight semesters exams shall be entitled to dual degree of LLB and LLM Degree.

Duration of the Course

The duration of the course shall be four academic years i.e. 8 (eight) semesters. Each academic year is divided into two semesters. Each semester will have a minimum of ninety (90) working days. The academic calendar shall be announced in advance each year and will ordinarily be during July - December and January - June, with winter internships, winter break and summer vacation. Medium of instruction shall be English only but the students will be allowed to write the exam in English and Gujarati. The scheme of the study of the course shall be strictly in conformity with the syllabus and regulations prescribed by the Bar Council of India and & UGC as well as S P University from time to time. The students will be trained through class room lectures, guest lectures, group discussions, seminars and hands on clinical experience. Emphasis will be on clinical education.

ABOUT VALLABH VIDYANAGAR

Culture

The town is the synthesis of varied cultures, which enable it to evolve and expand the quality life, as well as to foster an environment of creativity amongst the student citizens. Those who stay here always cherish the golden moments of life in the campus. Today, the town has compounded in strength and consolidated itself to take on the challenges of the emerging future. Vidyanagar is a mixed culture of say pan-India. One is sure to find the different ways of cultural exchanges among the students and faculties.

Life

The life at Vidyanagar is all about discovering one's self. To be a part of the life that will offer a lot one should be ready to take up the challenges. Academic is at its best, fun and frolics do compete with it. Days are hectic with studies while nights go with fun places filling the air with discussions about the day's happenings and eating out at almost all the places that glitter with neon lights. Roaming till late night is a very common aspect of citizens. Even girls are safe.

Environ

When one enters Vidyanagar, the lush greenery, which is a sure means of breathing fresh air in all seasons, catches the eyes of the naturalist. Its lush green trees of different types and kinds have not only made the town environment-friendly, but also have created a serene and ever-enjoyable tranquil atmosphere generating synergistic ecstasy in the campus. The campuses are built surrounded with trees of various kinds. Vallabh Vidyanagar is blessed with the splendor of nature. The pollution-free environ, attracting many to make the town their permanent home, add value to the academic life in the campus.

Amenities

Vallabh Vidyanagar has all the amenities which major metropolis may offer; rather it has the best of both the worlds - glamour of a big city and simplicity of a small town. Apart from the academic aspect, V.VNagar has a unique chain of food courts, almost all nationalized and non-nationalized banks and accommodation facilities up to five star levels. It encapsulates the contemporary trends of the youth, while at the same time it attempts to make these trends meaningful by making felt the presence of different spiritual vibes.

Location

Vallabh Vidyanagar embraces a rarity of *raison d'être* behind its origin and a variety of education with its development and growth. Strategically located between Ahmedabad and Vadodara, Vallabh Vidyanagar today has reckoned to be an Active Educational core in the western constituent of India & just six kilometers from India's milk city Anand. One can visit the city of Vallabh Vidyanagar by flying to the International airport at Ahmedabad as well as the Domestic airport at Vadodara. If one chooses to travel by road, National Highway 8 can be used - it takes less than an hour to reach Vallabh Vidyanagar from Vadodara.

CHARUTAR VIDYA MANDAL

Path Traversed

Vallabh Vidyanagar which has a short past but a long history, is a living memorial of Sardar Patel, the epic person. He dreamt of a modern and prosperous Independent India in terms of regeneration of villages through (1) the education, (2) advanced agriculture and (3) cooperative ventures. We are indeed very fortunate that we have here all the three : Vallabh Vidyanagar is the realisation of his first dream; Institute of Agriculture at Anand (now Anand Agricultural University) is the fruition of the second and Amul Dairy, the cradle of cooperative dairying, is the fulfilment of the third.

BHAIKAKA & BHIKHABHAI: THE CREATOR DUO

The genesis and phenomenal growth and development of Vallabh Vidyanagar, the well-planned and unique educational township situated in the heart of the Gujarat State, is stranger than fiction. Based on local talent and local resources it is a peerless example of self-reliance and dedication. While working in Sindh (now in Pakistan) as Superintending Engineer in Sukkur Barrage, Yevela in Maharashtra and Ahmedabad Municipality, as a distinguished Chief Engineer, Shri Bhailalbhai Dyabhai Patel, later warmly taken to their heart by the people of Gujarat as 'Bhaikaka', had earned reputation for his sense of values, discipline, dedication to duty and absolute integrity. Having been born and brought up in a family of strained financial resources in Sojitra village in Kheda district he had known what it meant to be poor. So, while in dedicating himself to the cause of rural India which was sunk in inertia, squalor and abject poverty. Once during a meeting between him and Sardar Vallabhbhai Patel. who knew Bhaikaka as a man of practical bent of mind, unusual ability and character, Sardar advised him to go to the villages and work for their regeneration. Sardar's wish was tantamount to a command to him. Bhaikaka's irresistible desire to improve the lot of the poor villagers coupled with Sardar's advice or command impelled him to take early retirement from the service. He saw that the most potent instrument to improve the subhuman life of villagers was to bring higher learning to their very doorstep and thus the concept of establishing institutions of higher education started taking shape. He got in touch with Shri Bhikhabhai Kuberbhai Patel. a dedicated and farsighted educationist, fired by the same ideal. He had played a pivotal role in the establishment of Charotar Education Society in Anand and Narmada Kelavani Mandal at Shuklateerth.

Torrential Rain of Land

They held several meetings in different parts of Kheda (then Kaira) district and a couple of them of about five hundred persons interested in higher education in Anand town. On March 28, 1945 it was decided to draw and implement the plan of planting an educational township in a wilderness infested with dacoits which later came to be known as Vallabh Vidyanagar. Bhaikaka and Bhikhabhai worked out an ingenious scheme based on enlightened self-interest. They persuaded the farmers to donate their land free of cost, saying, "Donate your

land to us now; we'll develop and use two-thirds and return you the remaining one-third in course of time". It was explained to them that while having the pleasure of assisting in the establishment of an educational township at no cost to themselves the building plots they would each obtain would appreciate sufficiently not only to cover the value of the land donated, but also leave a handsome margin of profit. It was a win-win situation and the response to it was overwhelming. At a meeting in Bakrol, a village at a hailing distance from today's Vallabh Vidyanagar, spontaneous offer of land was made to Bhaikaka and Bhikhabhai. A map of the village was spread before the duo and they were asked to mark with a pencil the area needed. Residents of Anand and Karamsad (Sardar Patel's village) followed suit. Thus a total of 555 acres of land at the intersection of Bakrol, Karamsad and Anand was received in donation. It was a torrential rain of land!

Exemplary Self-reliance

The founders decided to establish two institutions - Charutar Vidya Mandal and Charotar Gramodddhar Sahakari Mandal. The former was to be devoted to the cause of education, that is, establishing colleges and schools and the latter meant to produce the building materials for educational institutions and residential quarters. They were registered on August 10, 1945 and September 7, 1945, respectively.

Bhaikaka and Bhikhabhai came to reside in the wilderness in an improvised residence - a hut measuring 8 ft and 10 ft on March 3, 1946. They chose a mango tree and installed themselves under it, in the divine presence of Lord Brahma, the Super Creator, dreaming, planning, breaking a new ground, organizing, getting things done and resolving snarls to plant a city of education far from the maddening hustle and bustle of cities. It merits a special mention here that Bhaikaka, the Patriarch of Mango Tree, as he was then called, despised the idea of copying or borrowing know-how and do-how from anywhere. His indomitable faith in the local human material, though inexperienced, propelled him to bake bricks for the buildings locally. He established building material units -workshop and foundry, cement pipe factory, tiles factory, rubber factory and prestressed concrete factory to produce, in addition to bricks, lime, timber doors and windows, flooring tiles, hume pipes and various concrete products. The materials thus produced worked out cheaper than in the market and in addition, provided employment to the local people. It is difficult to resist the temptation of recalling here that Bhaikaka invited a Harijan to inaugurate the brick-kiln, a Muslim mechanic to lay the foundation of the workshop and foundry and a Brahmin to lay the first brick of the V. P. Science College ! A printing press named as Gramodddhar Printing Press for printing handbills, booklets, books, research journals and questionpapers was also set up.

Bhaikaka, the man with green thumb, planted a thousand trees. It is to him that we owe the lush-green, stately, shady trees all along the roads in Vallabh Vidyanagar.

First College Born

While many pessimists seriously doubted the success of the ambitious project of establishing an educational town with a view to bringing about regeneration of villages through modern education and employment and thereby arresting the exodus of promising youth from villages to cities. Sardar Patel, the unerring judge of men and women, not only wholeheartedly blessed the great adventure but also expressed his tremendous faith in its success. Inspiration, encouragement and unbounded support of the mighty Sardar, blessings of Mahatma Gandhi and extraordinary hard work of the founders ushered into existence Vitthalbhai Patel Mahavidyalaya in June 1947. The birth of the first college, like the birth of the first child, was hailed with a fanfare of trumpets! B.A. and B.Sc. classes commenced between towering walls sans any roof. It is something to write home about that teachers and students carried with cheer bricks and mortar after the conclusion of their classes and sweated along with the skilled and semi-skilled construction workers!

Justice M.C. Chagla, Vice - Chancellor. University of Bombay, during his visit to Vallabh Vidyanagar in 1947, was all praise for it when he said, "I came here... and found a new magic. Dreams have come to reality. As the Vice-Chancellor. I am proud that such an ideal college is affiliated to the University of Bombay. I see the seeds of real educational revolution being sown in this soil..."

While performing the opening ceremony of the College, Sardar Patel complimented Bhaikaka, the great public servant, for his tireless efforts and appealed to the public to give him their unflinching support and pray for the realization of his dream of an ideal seat of learning. Jawaharlal Nehru, who laid the foundation stone of Vallabh Vidyanagar observed "...The first thing I have liked is that the activities here have the object of serving village people. The other thing I have liked is that you do not care whether your house is ready or not. You know how to start putting it to use and start your activities. Here we find harmony of principle and practice. This institution by itself prepares its requirements. I earnestly hope that the example of this institution will not only be followed in this province but throughout the country..."

It is noteworthy that many reputed men of letters from all over the country joined the Vitthalbhai Patel Mahavidyalaya as teachers in response to the appeal of the founders who ensured that the quality of education imparted was first-rate. In order that new teachers too equip their students with the latest advances in their respective disciplines they sent nearly a dozen teachers to U.K., U.S.A. and Germany for receiving advanced training in research.

Many citizens of Anand and nearby places volunteered generous help in running the college and in the development of the matchless educational township. In the face of a swarm of problems, mostly financial, they stood by the great visionaries and helped them surmount these boldly and imaginatively. Sir C.V Raman and Lady Raman graced the first Annual Day celebration of the college.

Birth of Colleges of Engineering and Commerce

Within a short span of five years there came into existence two colleges, one of engineering and the other of commerce. Birla Education Trust made a munificent donation of twenty-five lakhs of rupees (in those days!) for the engineering college which was named Birla Vishwakarma Mahavidyalaya (Engineering College, 1948). Lord Mounbatten declared it open on June 14, 1948 when he said: "...This concept of Sardar Patel's is therefore all important in modern India, and as an experiment in village reconstruction. I hope that we shall see its application in other parts of the country. The two societies (Charutar Vidya Mandal and Charotar Gramodhar Sahakari Mandal) which are carrying out the work seem to me to be admirably suited for the purpose. On the one hand you have one society dealing with the uplift work in the villages, covering sanitation, water supply, drainage, housing and cottage industries, while on the other hand you have the other society carrying out educational activities. It is clear from what Mr. Patel (Bhaikaka) said in his speech that from the start the organizers have kept before them the project of a residential university, and I am glad to see that the educational areas of the township have been planned accordingly.... It is a real pleasure to me to be here this afternoon and to perform this ceremony, the last of its kind which it will be my pleasure to perform in India as Governor-General."

The engineering college was the first one started by a private trust in the entire Bombay State, which extended from Karachi to Dharwad, and the first one in Gujarat State. The commerce college, foundation stone of which was laid by Dr. Rajendra Prasad, was named Bhikhabhai Jivabhai Vanijya Mahavidyalaya (1950). Visits of several very important persons one after another and their expression of the high opinion of the boundless courage, selflessness and practical idealism of the founders and their team of dedicated colleagues shot Vallabh Vidyanagar to national fame. So impressed were the Gujaratis staying in British East Africa by the vision and mission of the founders that they donated ten lakhs of rupees in the year 1951 for the development of the Oxbridge of India. And the growth and development continued to take place by leaps and bounds. A hostel for women students, a number of hostels for men students, buildings for housing primary and secondary schools, residential quarters for teachers and other functionaries of educational institutions, tenements for labourers working in building material factories were constructed from the donations that flowed in. Establishment of Gram Panchayat (1954) and start of National Cadet Corps station command (1954) and Vallabh Vidyanagar railway station (1957) added new dimension to the prolific development of Vallabh Vidyanagar. And all this within a short span of only eight years!

Birth of Sardar Patel University

It was Vallabh Vidyanagar's crowning glory when within ten years of its foundation it became a university township in October 1955. The university was named Sardar Vallabhbhai Vidyapeeth and Bhaikaka, author of more than half a dozen books and numerous articles, was appropriately appointed its first Vice-Chancellor on December 19, 1955. The academic community of Gujarat hailed the appointment.

Most of the college teachers, who were sent abroad to receive research degrees and had been teaching post-graduate classes since 1948, were appointed to the university's post-graduate departments. Several others were appointed through advertisement in all-India newspapers. Bhaikaka created facilities for research and encouraged participation in academic conferences, seminars and workshops in spite of the fact that in the initial years the Government did not give any financial help whatsoever to the university! So keen was his interest in research that the Charutar Vidya Mandal published in 1957 Vallabh Vidyanagar Research Bulletin-a biannual. A great tragedy befell Vallabh Vidyanagar when Shri Bhikhabhai Kuberbhai Patel, who had drafted the constitution of the university and helped its birth, passed away in 1956. It was a tremendous loss to Bhaikaka and to the numerous pupils of Shri Bhikhabhai. Out of the sixtysix years that he lived Bhikhabhai, reverentially called 'Saheb' devoted fortytwo to education. Even now, after more than half a century of his departure, his former pupils, all over the world, remember him and deem themselves blessed to have been groomed by him. By establishing Bhailalbai & Bhikhabhai Polytechnic (B & B Institute of Technology) in 1958 Charutar Vidya Mandal paid tribute to its cofounder in a befitting manner. The founding of Bhikhabhai Saheb PTC College in 2004 bears testimony to the Mandal's renewed expression of gratitude this great educationist. On the conclusion of his three-year term as the Vice Chancellor in December, 1958 Bhaikaka entered active politics, for he felt that educated, honest and good people must take part in politics if they want to stamp out corruption, ensure rule of law and democracy to flourish. He severed his direct responsibility for the Charutar Vidya Mandal and invited Shri H. M. Patel, an I. C. S. officer of great repute, who had provided strategic guidance during the Partition of India, to nurture it as the Chairman. But he continued to evince keen interest in the progress of Vallabh Vidyanagar and to make himself available for advice and guidance till his sad demise on March 31 1970. Vallabh Vidyanagar felt orphaned. He was cremated at the spot where he and Bhikhabhai had lived in a hut, now a place of pilgrimage.

Special Convocation Honours Bhaikaka

It was a memorable event when Sardar Vallabhbhai Vidyapeeth held a special convocation on November 12, 1959 to confer upon Bhaikaka honorary degree of Doctor of Science as an expression of gratitude for its creator. Dr. S. Radhakrishnan delivered the convocation address.

H. M. PATEL & PROLIFIC DEVELOPMENT

Shri H.M.Patel, a civil servant of distinction, had served the country as Cabinet Secretary, Partition Secretary, Defence Secretary, Food and Agriculture Secretary and Principal Finance Secretary. The thirty-five years between 1958 and 1993, during which he served the Charutar Vidya Mandal as Bhaikaka's successor, were the years when Vallabh Vidyanagar grew and developed at an incredibly fast pace under his visionary stewardship.

New Colleges Born

He established a polytechnic for awarding diploma in Civil, Mechanical and Electrical engineering and named it Bhailalbai Bhikhabhai

Polytechnic (1958), Nalini & Arvind Arts College (1959), Kala Kendra College of Fine Arts (1964), now named Rama Manubhai Desai College of Music & Dance, Rajratna P.T. Patel Science College (1962), New Arts College (later named as TV. Patel Arts College (1964), H.M. Patel Institute of English Training & Research (1965), S.M. Patel College of Home Science (1971), College of Architecture (1980), A.R. Pharmacy College (1981), I.E. Patel English Teaching School (1970), CVM Higher Secondary Complex Science, Arts and Commerce Streams (1976), Home Science Higher Secondary Stream (1978) and H.M. Patel Career Development Centre (1992) etc. It is heartening to note that Nalini and Arvind Arts College, Vitthalbhai Patel Mahavidyalaya (Science College), Bhikhabhai Jivabhai Vanijya Mahavidyalaya and H M Patel Institute of English were recipients of Best College award of Gujarat. The award, instituted by the Government of Gujarat, carried fifty thousand rupees in cash Vitthalbhai Patel Mahavidyalaya bagged the award thrice in succession!

Institute of English

Author of books in English and Gujarati, such as the First Flush of Freedom, Rites of Passage and HMno Akshardeh, a translator and an orator, Shri H.M.Patel was deeply concerned about the declining standards of English teaching in Gujarat. He held that English is the language of wider communication in today's world. He envisioned the establishment of an institution to train teachers of English and gave shape to his vision. He donated the purse presented to him by his admirers on his 60th birthday and the H.M. Patel Institute of English Training & Research came into existence in 1965. The Institute has planned new and uncommon programmes and added different dimensions to the educational scene. It is heartening that the institute has received the UGC award as a College with Potential for Excellence(CPE).

Spacious buildings for housing the new colleges and schools were constructed and administrative buildings, library halls, new wings, workshops, computer laboratories and floors were added to the institutions in order to meet the requirements of the growing number of students. Not only this, a number of hostels New Hostel Block A, B and C, Bhaikaka Hostel and Ranak Hostel for girls etc.were constructed to accommodate them. Numerous houses for teaching and non-teaching staff were also built. Shri H.M. Patel always accorded importance to cocurricular and extracurricular activities like seminars, discussion groups, games and sports and cultural activities as means of development of personality. With a view to honouring the memory of those who contributed to the birth and growth of Vallabh Vidyanagar and providing opportunity to the students and teachers to broaden their mental horizon, he initiated Sardar Patel Memorial Lecture Series in the Sardar Patel University and Bhaikaka Memorial Lecture Series and Ishwar Petlikar Lecture Series in the Charutar Vidya Mandal. He created infrastructural facilities like the badminton hall, basketball courts and cricket ground etc. in and near Shastri Maidan.

Agro-Economic Centre & SPRERI

With a view to promoting rural development he persuaded the Ministry of Agriculture and created infrastructural facilities like the badminton hall, basketball courts and cricket ground etc. in and near Shastri Maidan.

Agro-Economic Centre & SPRERI

With a view to promoting rural development he persuaded the Ministry of Agriculture and Irrigation, Government of India, to establish Agro-Economic Research Centre for Gujarat and Rajasthan here at Vallabh Vidyanagar. Eversince the inception of the centre in 1961 he nurtured it with great care and foresight. The Sardar Patel Renewable Energy Research Institute (earlier Jyoti Solar Energy Institute) owes its existence to Shri H.M. Patel. The Institute is doing laudable work in evolving a local rural-based integrated system of energy in which solar energy, biogas and wind energy could be used in the rural areas in an environmentally clean way.

Vitthal Udyognagar & Medical Campus

Shri H.M. Patel, like Bhaikaka, maintained that one of the aims of founding Vallabh Vidyanagar being making the local youth more employable it was desirable to provide suitable employment to those who received education here so that their cityward drift could be arrested. Therefore, he conceived the project of establishing an industrial town in the vicinity of Vallabh Vidyanagar and named it after another illustrious son of Charotar area, Vitthalbhai Patel, elder brother of Sardar Vallabhbhai Patel. Thus was born Vitthal Udyognagar, spreading over five hundred and fifty acres of land with a total of four hundred and fifty units, twelve big and the rest medium and small. Shri H.M. Patel worked relentlessly for providing the latest healthcare facilities to the rural masses and took up, when he was close to seventy-five years of age, the ambitious project of establishing a well-equipped Hospital and Medical College in the rural surroundings near Karamsad (Sardar Patel's village). The unique Hospital and Medical College Complex, managed by the Charutar Arogya Mandal, of which too he was the Chairman, consists of Shree Krishna Hospital and Medical Research Centre, Pramukh Swami Medical College. H.M. Patel Institute of Medical Laboratory Technology. Khushalbhai M. Patel Institute of Physiotherapy, Shri A.D. Gorwala Blood Bank and Manibhai Shivabhai Cancer Centre.

Honours Bestowed

In recognition of his great service to Charutar Vidya Mandal and through it the Sardar Patel University, in the development of which he had played a prominent role, the university conferred upon him honorary degree of Doctor of Letters. He also received Albert Schweitzer Award of Animal Welfare Institute of USA for championing the cause of afforestation and conservation of wild life and Nargis Dutt Award (posthumously), for his production of the feature depiction of some aspects of Sardar's stellar contribution to India after Independence.

Like Bhaikaka, he too entered politics with a view to rooting out corruption and lawlessness and strengthening democracy. Even as Cabinet Minister in the Central Government he kept constant

touch with his institutions in Vallabh Vidyanagar. Despite the heavy responsibilities with which he was saddled he would come down here at least once a month and arrange meetings with the Principals of colleges and schools and preside over functions.

Shri H. M. Patel passed away on November 30, 1993, creating a deep void in the academic life of Vallabh Vidyanagar. A pall of gloom descended on Vallabh Vidyanagar where he had devoted himself to the building and nurturing of institutions to serve the common man.

C. L. PATEL & BIRTH OF NEW VALLABH VIDYANAGAR

Dr.Chhotubhai L.Patel, former Executive Engineer in Gujarat Electricity Board, succeeded Shri H.M.Patel as the Chairman of the Charutar Vidya Mandal on April 9,1994. Endowed with rich practical sense, sound realism and solid and unshakable endurance he is the true and worthy successor of Shri Bhaikaka, Shri Bhikhabhai Patel and Shri H. M. Patel: Shri Bhaikaka and Shri Bhikhabhai created Vallabh Vidyanagar, Shri H. M. Patel created Vitthal Udyognagar and Arogyanagar near Karamsad and Dr. C.L.Patel is the creator of New Vallabh Vidyanagar, lushgreen mushrooming satellite township, over one hundred acre of land near Karamsad, Mogri and Gana. It has, besides educational institutions, like colleges of Engineering and Technology Pharmacy and Ayurveda, Ayurvedic hospital, Industrial Training Centre, staff quarters, shopping centre, playgrounds and auditorium. Steps are afoot to extend the area to four hundred acres.

More Colleges & Research Centre

Dr.C.L.Patel, the man with Midas touch, has set up several self-financed colleges: Natubhai V.Patel College of Pure and Applied Sciences (1996). G.H. Patel College of Engineering and Technology (GCET) 1996, Sardar Gunj Mercantile Cooperative Bank Ltd. - English Medium College of Commerce and Management (SEMCOM. 1997) and Institute of Science & Technology for Advanced Studies & Research (ISTAR) 1999. ISTAR is a postgraduate learning centre with eight programmes in science, eight in engineering, six in pharmacy and four multidisciplinary programmes. He has also established Sophisticated Instrumentation Centre for Applied Research & Testing (SICART) in 1999, a national - level centre with unique testing facility with ultra sophisticated instruments. A. D. Patel Institute of Technology (2000), S.S.Patel College of Physical Education (2002), an Industrial Training Centre named Chimanbhai M.U. Patel Industrial Training Centre. C. Z. Patel College of Business & Management (2003), Indukaka Ipcowala College of Pharmacy (2003). Waymade College of Education and Bhikhabhai Saheb PTC College (both in 2004), Govindbhai Jorabhai Patel Institute of Ayurvedic study and Research and Surajben Govindbhai Patel Ayurveda Hospital and Maternity Home (2005) and Ashok & Rita Patel Institute of Integrated Study in Biotechnology & Allied Sciences (2005). He set up in 2008 Sumantbhai P. Patel Primary School (Gujarati-medium) and Vasantiben and Chandubhai Patel English School (Central Board of Secondary Education) and in 2009 CVM Institute for Degree Course in Pharmacy(CDCP), which is renamed as Shantaben Manubhai Patel Institute of Studies and Research in Pharmacy (SMIP) Centre for Studies & Research on Life & Works of Sardar Vallabhbhai Patel

(CERLIP), Institute of Computer & Communication Technology for Women (ICCT), now called Madhuben and Bhanubhai Patel Women Institute of Engineering for Studies and Research in Computer and Communication Technology (MBICT) and Institute of Language Studies & Applied Social Sciences (ILSASS). It always pained Dr. C. L. Patel to see lamentable indifference of the youth in this part of the country to take competitive examinations for Central Services. Instead of complaining he established IAS Academy where ambitious young men and women undergo training to appear for competitive examinations.

Dr. C. L. Patel's thirst for establishing new institutes is unquenchable. After initiating **R. N. Patel Ipcowala School of Law and Justice**, he plans to have in near future National School of Law & Justice, National Institute of Design, Polytechnic for Girls, Institute of Defence Technology, Residential School-Primary & Secondary (Gujarati and English medium), Renewable Energy Studies and Research Centre, Research & Development Centre for Ayurvedic Research and Centre for Studies & Research in Management.

In order to keep pace with the fiercely competitive world by revitalizing the society through quality education the institutions established by Dr.C.L.Patel impart education in Valuation (Plant & Machinery), first of its kind in the world, Industrial Polymers, Industrial Chemistry, Computer Science, Information Science, Biotechnology, Food Processing, Environmental Science, Instrumentation, Information Technology, Electronics and Communication and Mechaetronics etc. Postgraduate programme in E-commerce is one of the latest introduced under his dynamic stewardship.

Academic Collaboration with Foreign Universities

With a view to creating learning opportunities for students of SEMCOM and C Z Patel College of Business & Management at the global level he has signed Memorandum of Understanding with Georgia South Western State University, Myres University, Cleveland, Malaspina University, University of Herfordshire and British Columbia University. He has also signed MoU with University of Cincinnati, USA, and Eastern Michigan University, USA, for exchange of faculty for Master of Industrial Hygiene & Safety and Master of Science in Paints&Varnishesprogrammes, run at ISTAR, Dr.C.L.Patel has extensively renovated and refurbished the Ipcowala Santram College of Fine Arts and Rama Uanubhai Desai College of Music & Dance to accommodate the existing colleges of Fine Arts (Drawing, Painting, Sculpture and Commercial Art etc.) and Music & Dance. He has extended the buildings of H.M.Patel Institute of English and constructed separate library buildings for Vithalbai Patel Mahavidyalaya and Rajratna P.T.Patel Science College, Nalini -Arvind &T.V.Pate! Arts College, S.M.Patel College of Home Science, Birla Vishwakarma Mahavidyalaya (Engineering College) and Natubhai V. Patel College of Pure and Applied Sciences.

He has adopted Kheda Jilla Bal Kalyan Sangh, an institution wedded to the welfare of women and children of rural areas, and Manav Vikas Kendra, centre for promoting human excellence.

Adoption of Needy Youth

He has also been adopting for the last six years a number of needy Kashmiri youth who have been victim of terrorism. They are receiving education in the institutions of Charutar Vidya Mandal.

Shapurbhai I. Patel Learning Centre, which houses a library, particularly for children, also his creation, aims at serving the various schools run by Charutar Vidya Mandal. He has made a handsome donation to the C. L. Patel Centre for Production & Civil Engineering. In addition, separate hostels for boys and girls belonging to G. H. Patel College of Engineering & Technology (GCET) and A. D. Patel Institute of Technology (ADIT) have been built under his dynamic leadership.

Dr. Patel, the visionary leader, is a team player who believes in "None of us is as strong as all of us". With his team of devoted academicians-secretaries he has been nurturing nearly fortyfive educational institutions for the last seventeen years, contributing to the spectacular growth of Vallabh Vidyanagar and New Vallabh Vidyanagar. It is noteworthy that he has been instrumental in publishing a collection of writings on the life and works of Sardar Patel entitled "Rashtriya Samvadita na Sarjak". The publication has won wide acclaim. He has also initiated Dr. Dilavarsinh Jadeja Memorial Lecture Series. It merits special mention that he collected donation from the engineering experts and educational institutions of Vallabh Vidyanagar and built seven primary schools in the earthquake -ravaged Bhachau taluka of Kutch and named them after the mighty Sardar Patel and thus paid tribute to him in a befitting manner.

Honours Conferred

In recognition of his outstanding service to the society he has won innumerable accolades, some of which are: Anand Round Town Club honoured him with Charotar Ratna award and Anoopam Mission with Shalin Manav Ratna award. Sardar Patel University, with the development of which he has been actively associated for over two decades, conferred upon him honorary degree of Doctor of Letters as a token of gratitude to him. And Anand Agricultural University honoured him with Doctor of Literature Degree (Honoris Causa), and Sardar Patel Award for his exemplary commitment in the field of education. The twin campuses of Vailabh Vidyanagar and New Vallabh Vidyanagar of Charutar Vidya Mandal are shining examples of an institution serving the community in the field of education and contributing to the improvement of the quality of life of the people. The question that has been asked time and again ever since the birth of Vallabh Vidyanagar is "Where does so much money come from?"

The answer is that Dr.C.L.Patel, like his predecessors, receives massive donations from his numerous well-wishers and philanthropists in India and abroad, who have tremendous faith in him. He, in turn, has immense faith in the public sense and generosity of our people and believes that right public cause sincerely undertaken can never suffer for want of funds.

Is not the genesis, growth and development of the sixtyfive-year old but youthful Vallabh Vidyanagar stranger than fiction ?

Source Of Inspiration

Sardar Vallabhbhai Patel

There is something unique in this soil, which despite many obstacles...has always remained the abode of great souls.

"The minute you read something that you can't understand, you can almost be sure that it was drawn up by a lawyer."

– Will Rogers

No man is above the law and no man is below it; nor do we ask any man's permission when we ask him to obey it. Obedience to the law is demanded as a right; not asked as a favor.

– Theodore Roosevelt

Man, when perfected, is the best of animals, but when separated from law and justice, he is the worst of all.

– Aristotle

*"Who are you to judge the life I live?
I know I'm not perfect
-and I don't live to be-
but before you start pointing fingers...
make sure your hands are clean!"*

– Bob Marley

*We cannot please everyone. But try to do so.
The difficult we do almost immediately,
The impossible takes a little longer.*
